

ABAY MYRZAKHMETOV KOKSHETAU UNIVERSITY

WINTER ACADEMY AI SMART PARTNERSHIPS (SDG 17) KOKSHETAU, NORTH KAZAKHSTAN

WHY KOKSHETAU?

- Super clean & incredibly safe.
- A true Kazakh blend: History meets modern city life, with stunning nature just outside your door.
- The gateway to paradise: Burabay National Park (Borovoe) — think crystal lakes, pine forests, and dramatic granite mountains.
- Foodie haven: Modern coffee shops, traditional Kazakh cuisine, and surprisingly good international spots.
- Relaxed pace & welcoming people.

WINTER ACADEMY PROGRAM OVERVIEW

The Academy offers a compact, intensive program blending technological insight, practical application, and cross-cultural skill development, led by a globally diverse faculty.

1. AI Lectures & Interactivity: Non-technical overview of AI, global trends, and application in international projects.
2. Practical Workshop: Team project "AI Solution for Global Partnerships (SDG 17)" focused on developing AI-driven solutions for global issues.
3. Soft Skills Training: "Soft Skills for Hard Problems" session on emotional intelligence in cross-cultural partnerships.
4. Intellectual Games: Team game "Crisis Simulation: The Global AI Response."
5. Cultural Program: Excursion to the resort area "Burabay" (Borovoe) and sports events.
6. The program is trained, moderated and coordinated by experienced academic staff from international partner institutions, providing diverse expertise from Indonesia, the UK, China, Malaysia, Hungary, South Korea, the USA, and Russia.
